

Key Club Service Trip 2022

Our trip is almost here! Don't forget that we will be gone May 15-19, which means we will be gone for 2nd, 4th, 6th, 7th, and 8th period exams. If you are required to take exams for any of these classes, you need to make arrangements with your teacher(s) to take them early (perhaps on the previous Friday afternoon – 1st and 3rd period exam day.)

You will officially be registered to attend when you return your permission form and your rafting waiver, along with a registration fee of \$20 (\$10 for Ronald McDonald House supplies and \$10 for groceries for the house). It's going to be a super cheap trip thanks to the Kiwanis Club! You will still need to bring money for most of your meals, as we will eat out for most meals (maybe another \$100 if you figure 2 meals/day at \$10/meal.) You probably won't spend all of that, but better to have it 😊.

Bring closed toed shoes for working in, and you will need to wear pants for Mon & Tues. You may also want to bring gloves for Tues. A few other suggested items to bring:

- Shoes for rafting that can get wet
- Sunscreen and hat (esp. for working in the desert enclosure at the zoo!)
- Pillow (optional – all bedding/linens provided)
- Toothbrush (not optional!)
- Toiletries
- Bathing suit – the place has a pool and a hot tub
- Cards/games u might want to play
- Phone charger, ear buds, whatever tech you can't live without
- Insurance card/info and driver's license
- Humble servant attitude – it might be hot, some work is hard, but we're going to serve 😊

I'm super pumped about the trip, and I know we're going to have a blast! Here is our trip itinerary:

Sunday 5/15

- 7:00 am (central time) – meet at school gym parking lot, pull out by 7:30
- 11:00 am (eastern time from now on) – arrive at Outland Expeditions White Water Rafting
